

D. The unity of the human personality	43
1. The unity of body and soul.....	43
a.) Through the body the soul is able to receive (import).....	43
b.) Through the body the soul can express itself (export).....	44
c.) Mutual relationship between soul and body	44
(1) The influence of the body upon the soul.....	44
(2) Influence of the soul upon the body	45
2. Soul and spirit	46
a.) Influence of the soul upon the spirit	46
b.) The influence of the spirit upon the soul	47
 III. THE FALL OF MAN.....	 48
A. The law of God	48
1. The meaning of the law of God.....	48
2. The purpose of the law of God.....	49
3. The relation of the believer to the law of God	50
B. The fall and the problems connected with it.....	51
1. Where does evil come from?.....	51
2. How could Adam, a holy creature, fall?.....	57
a.) Adam could not have sinned	57
b.) His sin was a free act of the will towards disobedience	57
3. Why did Satan sin?.....	58
4. Why did God cast Satan upon the earth?	59
5. Why did God allow the temptation of man	60
C. Temptation.....	61
1. The historicity of the account of the fall in Gen 3.....	61
2. What is <i>temptation</i> ?	61
3. Temptation and the tactics of the devil.....	62
a.) Doubting the Word of God.....	63
b.) A <i>no</i> to God's Word	63
c.) A word of Satan.....	64
 IV. SIN.....	 67
A. The fact of sin	67
1. God establishes sin as a fact.....	67
2. The Word of God reveals the existence of sin	67
3. Sin becomes evident through the law.....	68
4. The believer knows about his sin	68
5. Nature testifies to the fact of sin.....	68
B. Sin (original/hereditary sin)	69
1. Definition	69
2. The essence (character) of sin	69
a.) Anarchy	69
b.) Rebellion (insurrection) against God.....	70
c.) Sin is egocentricity (selfishness)	70
3. The total depravity of the human nature.....	71
4. The seat of sin	73
5. The activation of sin.....	73
a.) The law	73
b.) Temptation.....	74
6. Imputation of (hereditary) sin.....	74
a.) The Pelagian theory	75
b.) Semipelagianism.....	75
c.) The theory of indirect imputation	75
d.) The realistic theory	76
e.) The theory of substitution (representation)	76

f.)	The corporate theory.....	77
g.)	Evaluation of these theories.....	77
h.)	Excursus: <i>Predestination or free will</i>	78
C.	Sins	83
1.	Scripture uses different expressions for sin.....	83
a.)	Missing the goal (Gen 4:7)	83
b.)	Transgression, sin, offence (Gen. 4:13).....	83
c.)	Evil, malice (Gen 6:5)	84
d.)	Sin, the mistake	84
e.)	Unrighteousness	84
f.)	Lawlessness	84
g.)	Unbelief or unfaithfulness	85
2.	Differences between individual sins.....	86
a.)	There are different kinds of sin	86
b.)	Sins are committed against different "objects"	86
c.)	Sins may be committed by different types of persons	87
d.)	There are differences in degree between individual sins.....	87
V.	CONSEQUENCES OF THE FALL AND OF SIN	90
A.	Consequences of sin for Adam.....	90
1.	Separation from God	90
2.	Bondage to Satan.....	91
3.	Death	91
a.)	Spiritual (inner) death.....	91
b.)	Physical (outer) death	91
c.)	The eternal death	92
B.	Consequences of the fall for mankind	92
1.	To the spirit	92
2.	To the soul.....	93
a.)	Mind (reason)	93
b.)	Emotion	93
c.)	Will.....	93
3.	To the conscience.....	93
4.	To practical life	94
C.	The consequences of the fall for nature/creation.....	94
D.	The consequences of the fall for God.....	95
VI.	BIBLIOGRAPHY.....	96

My special thanks are due to Heinz Lettner for translating this brochure from German into English and to Louise Rathgeb for her proof-reading; to Daniel Soller for his assistance in questions linked with the word processing program as well as to Pierre-André Devins for his precious advice on the "creation versus evolution controversy".
